

Why Give?

Reaching the greatest potential.

The Epiphany School Foundation | Annual Review 2016-2017

Dear Families and Friends,

Thank you for your support in making Epiphany one of New York City's top Catholic Schools. Established in 1999, The Epiphany School Foundation was created to enrich the educational experience of every Epiphany student. Through your kindness and generosity, our mission remains strong while keeping our tuition at an affordable level. Your gifts enhance the academic programs at Epiphany, creating a unique, diverse and spiritual learning environment that enables our students to reach their full potential.

Through annual giving and special events, we raise approximately one million dollars each year for the enrichment of technology in our classrooms including the use of iPads, laptops and RealTouch Interactive LCD Displays. We also provide funding for enhanced language, wellness, science, art, and music programs, tuition assistance for current students, as well as funding for teacher assistants in the Lower School and supplemental funding for professional development. I extend my sincere gratitude to our donors for making this possible.

I am proud to report that 82% of current families contributed to the Annual Fund during the 2016-2017 school year, funding our many educational programs and services that are not covered by tuition. This year, that amounts to over \$1,500 per student. It is of great importance that we reach our Annual Fund goals so that The Foundation can continue to offer Epiphany children what they need to excel in the classroom. Please consider making a gift to The Annual Fund this year, which closes on June 30, 2018. All gifts to The Annual Fund are fully tax-deductible and are eligible to be matched by corporations.

We need your help to continue to build upon our success, and it is a very exciting time to get involved with The Foundation. We host many events throughout the year including our Walk & Fall Festival, Alumni Hall of Fame, Christmas Car Raffle, Spring Auction and Golf Outing. I strongly encourage you to participate in at least one of these activities and experience for yourself the difference you can make by donating your time and giving back to Epiphany.

This year marks 128 years since The Epiphany School opened its doors and I thank you for helping us continue our tradition of excellence. I wish you and your families a happy and healthy 2018!

Sincerely,

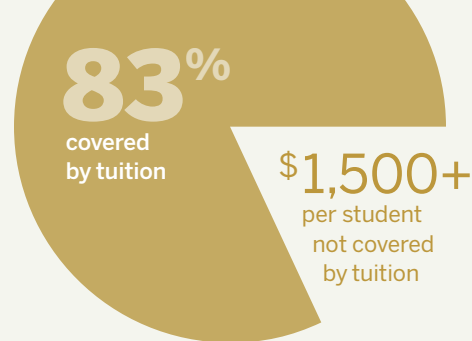

Kevin G. Greaney, KM
Chairman, Board of Trustees

5 Reasons Why It's Essential to Give

Support for The Foundation fuels the mission of the school: to provide an educational environment that inspires academic achievement, fosters spiritual growth, and celebrates the individual.

1 Fill the Gap

The Annual Fund provides funding for many programs and services that benefit students and are not covered by tuition. Only 83% of the cost of educating each Epiphany student every year is covered by tuition, which amounts to over \$1,500 per child. By filling the gap, The Foundation can continue to offer Epiphany students what they need to excel in the classroom.

2 The Epiphany Value

With an average tuition rate of \$9,000, Epiphany offers its families a tremendous value when compared to other similar programs where tuition is now \$45,000 per year. Through your generosity, we are able to keep the tuition affordable for everyone enrolled at the school.

3 Enhance Programs

Your support enables The Foundation to enhance our educational programs in the areas of technology, foreign language, science, wellness, music and art. We also provide funding for teacher assistants in the Lower School, supplemental funding for staff professional development, and tuition assistance for faculty pursuing advanced degrees.

4 Digital Readiness

RealTouch Interactive LCD Displays in every classroom are just the beginning of digital readiness at Epiphany. We offer a full 1:1 iPad program for all students in grades 2–8, a 1:2 iPad program in Kindergarten and First grades and iPad Centers in Nursery and Pre-Kindergarten. Students have access to 60 MacBooks and 30 Chromebooks in our Upper School Computer Lab and Lower School students have access to 30 Chromebooks. Through online learning programs such as IXL and Reading A-Z, teachers are able to assign and monitor unique programs that best meet each student's needs.

5 Provide Opportunity

Gifts to The Foundation make it possible for us to establish endowed funds that provide long-term support. Our funding allows us to offer financial aid to both new and current families in need. The unique academic programming and intimate school community at Epiphany attracts a diverse student population, proudly representing over 40 different zip codes from New York and New Jersey.

#GIVING
TUESDAY™

Epiphany's first
DAY OF GIVING on
November 29, 2016
was a great success!

Over \$59,000 was raised for the Annual Fund through 213 gifts. The day was made possible through the talents of former Epiphany Parent, Amy Scheibe, who beautifully showcased our wonderful school and the work of The Foundation through a short film. Please save the date for our upcoming Day of Giving: January 30, 2018.

Walk & Fall Festival / OCTOBER 16, 2016

It was a beautiful day for the 7th annual Walk & Fall Festival. Families and friends walked their way down the East River Promenade to benefit The Epiphany School before returning to the lively festivities at our 22nd Street Campus. The Foundation partnered with NY Catholic Charities once again to execute the Feeding Our Neighbors Food Drive, providing a record high 10,000 meals to those in need. Walk Chairs, Christina White and Eileen Pino, worked together with Fall Festival Chairs, Agnes Teng and Sonaly Aditya, on this special community tradition, which raised over \$90,000.

Hall of Fame and Reception / NOVEMBER 5, 2016

Over 200 guests came together at The Yale Club for the 4th Annual Hall of Fame Induction and Cocktail Reception. Honorees included alumnus and trustee, Bob Benya '73, founding trustee, Jane Crotty, Rose and Joe Falzon, former Epiphany parents and staff, as well as Fritz Favorule, former Chairman of The Epiphany School Foundation. Alumna speaker, Alycia Foti '03, shared heartfelt words with the guests about the importance of sponsoring Epiphany students. The event, chaired by Regan Murphy '99, raised over \$24,000 for the children of The Epiphany School.

Christmas Car Raffle / DECEMBER 15, 2016

A total of 779 Mercedes-Benz Car Raffle tickets were sold for the exciting drawing held during The Epiphany School Foundation Christmas party. The success of the Car Raffle is largely attributed to Epiphany parents and The Foundation Board of Trustees. Board members accounted for 31% of sales, selling a total of 245 tickets. The winning ticket was sold to Epiphany friend, Monica Graham. The Foundation extends sincere thanks and gratitude to former Car Raffle winner and parent, Joe Castle, for selling 144 tickets in 2016 and continuing to promote this holiday tradition.

Annual Spring Auction / MARCH 16, 2017

More than 300 guests joined us at Tribeca Rooftop for our greatest fundraiser of the year, Epiphany's annual Spring Auction. Co-chairs Jessica Annunziata and Jennifer Dowd worked with Foundation staff and over 50 volunteers to make the evening a great success, raising over \$160,000 to benefit our students. Donations for the 2017 Special Appeal, the Wellness In The Schools Coach for Kids program, totaled over \$60,000. Thanks to the generosity of our parents and friends, 275 items were donated and over 1,200 bids were placed.

23rd Annual Golf Outing / MAY 15, 2017

The annual Epiphany Golf Outing is the school's longest running fundraiser. Over 85 golfers came out to Wykagyl Country Club in New Rochelle, NY to support The Epiphany School Foundation. For the first time, a ladies tennis clinic was introduced to the event, chaired by parent, Gina Liotti. Parents, alumni and friends enjoyed an afternoon of golf and tennis, as well as a live raffle and auction, hosted by Epiphany School President, Mr. James L. Hayes. The Outing, headed by Foundation Chairman, Kevin Greaney, and parent, Neal Cain, raised \$27,000.

Wellness In The Schools

Programs for the well being of Epiphany students beyond the classroom.

The Epiphany School first welcomed **WELLNESS IN THE SCHOOLS (WITS)**, a national non-profit organization that teaches kids healthy habits to learn and live better, by implementing their Cook for Kids program in 2016. Our culinary trained WITS chef, Gisselle Madariaga, works with our students and staff daily to transform our cafeteria menu while providing nutrition education.

Students also enjoy the benefits of WITS labs, nutritional culinary education classes, which celebrate seasonal recipes and ingredients.

Throughout the year, WITS offers Café Days, where local chef partners interact with students and prepare meals during lunch. Through these special visits, our community had the unique opportunity to meet celebrity chefs, Rocco DiSpirito and Bill Telepan, and have also had the experience to learn from Chefs Elliott Prag and Olivia Roszkowski of the Natural Gourmet Institute.

With the success of **COOK FOR KIDS**, Epiphany initiated WITS' **COACH FOR KIDS** program in 2017, which enables children to reach the recommended 60 minutes of activity during the school day. Our WITS Coach, Sarah Merck, reinvents recess, trains school staff and provides fitness education. In the spring, students and their families will be invited to participate in a Family Fitness Fun Night, which offers athletic classes and activities for all ages and skill levels.

After working with our WITS chef and coaches, students return to class after lunch and recess ready to focus and learn, and develop healthy habits that will last a lifetime. The continued success of the Wellness In The Schools program is ensured by the Epiphany Wellness Committee, a parent volunteer committee that promotes good health at school throughout the year, currently led by Epiphany parent, Felicia Tanoff.

A Proud History of Working Together!

The Epiphany School

The Epiphany School was founded in 1888 to provide the highest quality education to the school-age children of The Epiphany Parish. Today, the school educates approximately 560 students, serving a diverse socio-economic population, who live in all areas of Manhattan and the outer boroughs. We remain committed to education of the highest quality and are guided by our mission: to educate the whole child spiritually, intellectually, socially, emotionally and physically. Fundamental to this mission is developing children with a strong moral and ethical character who will contribute to society in meaningful ways.

The Epiphany School Foundation

The Epiphany School Foundation was established in 1999 to raise funds for the school. This tax-exempt, charitable foundation was founded to enhance the children's educational experience and the faculty's teaching environment. These goals have been achieved over the years by funding programs that the school cannot cover through tuition alone. The Foundation remains dedicated to promoting growth and innovation through these programs.

High Schools & Colleges

attended by the Epiphany graduates reflects a wide range of interests and overall academic excellence.
