

The Epiphany School Foundation

Annual Review 2018-2019

Bridging the Gap

Cost of Education
Not Covered by Tuition

From the Chair:
Jennifer Dowd

Dear Families and Friends,

On behalf of the Board of Trustees, thank you for your support of The Epiphany School Foundation. Through your generosity we can continue to enrich the educational experience of the students at The Epiphany School, while keeping tuition at an affordable level for every family.

Continuous improvement will always be necessary to maintain our tradition of excellence and we cannot do any of this without you. Your support is needed to continue funding our educational programs and services that are not covered by the annual tuition. This amounts approximately \$1,500 of supplemental funding from the Foundation for each student.

The most direct way to give is through the Annual Fund. Please consider making a gift to the Annual Fund this

year. We strive to have 100% participation from our parents, as well as seek support from our alumni, faculty, corporations and foundations. All gifts to the Annual Fund are fully tax-deductible and are eligible for company matching.

We host many events throughout the year that not only raise money, but also give us the opportunity to come together as a community. The Walk, Hall of Fame Induction & Reception, Spring Auction Benefit, and Golf & Tennis Outing offer something for everyone! An easy and fun way to support the Foundation is to attend at least one of these events. Another important and critical way to contribute is to give of your time. Volunteers are crucial to executing our fundraising events. From joining an event planning committee to one day jobs, your time is greatly needed and appreciated.

I hope to see you at one of our upcoming Foundation events. Thank you to our families and friends for your continued support!

Warmest Regards,

A handwritten signature in black ink, appearing to read 'Jennifer Dowd'.

Jennifer Dowd
Chair, Board of Trustees

Bridging the Gap

The Epiphany School Foundation is a separate nonprofit organization that provides funding to The Epiphany School for numerous programs and services that benefit its students. Only 83% of the cost per student is covered by tuition, leaving a gap of approximately \$1,500 for each student. The Foundation works to bridge this gap by raising money to support four key initiatives and keep tuition as low as possible for everyone.

A \$1,500 gap exists between the cost of each child's educational program expenses and tuition fees. Your support of the Foundation helps us bridge this gap for every student.

Enhanced Programming

By supporting the Foundation you enable our faculty to deliver more innovative, well rounded, problem solving oriented, cross-curricular programming throughout the School utilizing partnerships with programs such as Project Lead the Way, CodeSpeak Labs, NYC Kids Project, Rising City Arts and the New York Historical Society.

PLTW

"S.T.E.A.M. programming has made significant leaps these past few years. CodeSpeak Labs is introducing the world of coding to our 4th and 5th grade students using coding platforms as well as skill-building in entrepreneurship, communication, and design. With our newest partner, Project Lead the Way, these students will be preparing coding activities to supplement projects K-6 students are working on. I'm grateful to be working so closely with these great programs and seeing how much fun our students are having while learning."

Claire Rennell, Faculty

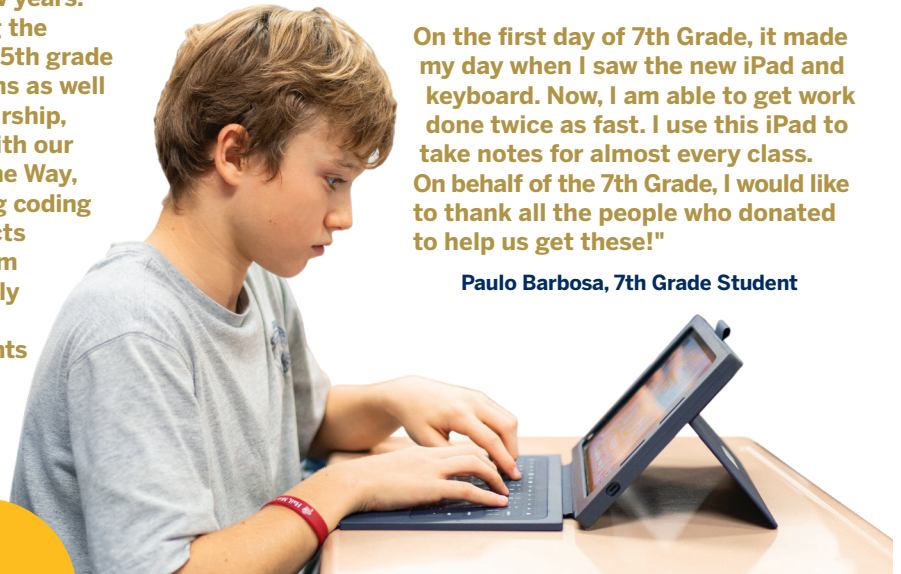

Cutting-Edge Technology

Support from the Foundation allows for continued upgrades and improvements in technology integration throughout the School. iPad technology is introduced to students in our Early Childhood Center and expands to a 1:1 iPad program in Kindergarten through Grade 8. Investments in keyboards for Grades 7 and 8, RealTouch Interactive LCD Displays in every classroom and online learning platforms ensure that the use of technology makes learning more efficient and effective.

On the first day of 7th Grade, it made my day when I saw the new iPad and keyboard. Now, I am able to get work done twice as fast. I use this iPad to take notes for almost every class. On behalf of the 7th Grade, I would like to thank all the people who donated to help us get these!"

Paulo Barbosa, 7th Grade Student

Tuition Assistance

Gifts to the Foundation make it possible to provide financial aid for tuition and afterschool programming to approximately 10% of our families annually.

10%

"Many families are lucky to have the means to provide their children with the world-class education at Epiphany. The tuition assistance program provides vital funds for families in our neighborhood and parish who desire to send their children to Epiphany, a community oriented, faith-based school, but cannot afford it. I am a proud supporter of this initiative and the diversity it helps bring to this School."

Cate O'Hara, Former Trustee and Parent

Faculty Support

Faculty support funding from the Foundation allows for investment in faculty and staff that are dedicated to enhancing the educational experience of our students. This includes Assistant Teachers in Toddler Twos through Grade 4, a reading specialist, math coordinator and specialized faculty in art, music, foreign language, and physical education. In addition, we are able to provide teachers with professional development opportunities, continuing education assistance and Christmas bonuses.

"As I watch my two sons go from Kindergarten through the Upper School, I am continuously impressed by how much each of their teachers has been dedicated to their individual growth and success. I have especially noticed it in the implementation of a science oriented, project-solving teaching method in the Upper School, which has created a challenging yet fun learning environment for my boys. The time and energy these teachers have invested in my children is priceless."

Felicia Tanoff, Current Parent

Fundraising Initiatives

July 1, 2018 – June 30, 2019

Annual Fund / YEAR LONG

The Annual Fund is the primary fundraising vehicle for the Foundation, kicking off with an annual appeal on #GivingTuesday. The Annual Fund provides unrestricted funding for programs and services essential to helping The Epiphany School meet its goal of educating the whole child amongst a diverse community. Thanks to the support of past parents, friends, alumni and 74% of our current families, the Annual Fund raised \$311,499.

The Walk / OCTOBER 21, 2018

At the 9th Annual Walk, families and friends joined together to fundraise for the School, in addition to partnering with NY Catholic Charities to execute the Feeding Our Neighbors Food Drive, providing nearly 8,000 meals to those in need. Walk and Fall Festival Chairs, Eileen Pino and Alex Vaina, worked together with our community to raise a net of \$62,990.

Hall of Fame & Reception / NOVEMBER 2, 2018

More than 200 guests came together at The Yale Club for the 6th Annual Hall of Fame event to celebrate the dedication and achievements of Kevin Beauregard, Liz Emma, Christopher and Mary Carroll French, and Erin Tracy. The event, chaired by Regan Murphy '99, raised a net of \$26,761.

Car Raffle / DECEMBER 13, 2018

A total of 581 Mercedes-Benz Car Raffle tickets were sold for the drawing held during our Christmas party. The winning ticket was sold to Carol and Marty Felenstein. The success of the Car Raffle is largely attributed to Epiphany parents and the Foundation Board of Trustees, helping raise a net of \$26,554.

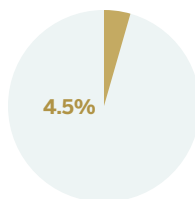

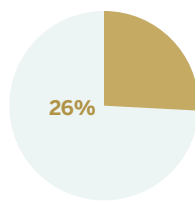

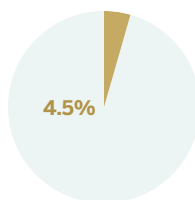

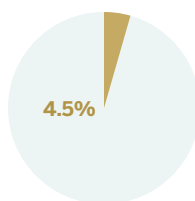

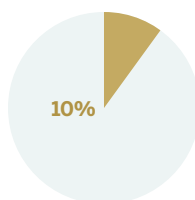

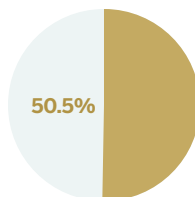

Spring Auction Benefit / MARCH 27, 2019

The largest fundraising event of the year, more than 300 guests joined us for Epiphany's annual Spring Auction Benefit. Thanks to the generosity of our parents and friends, more than 240 items and experiences were donated. Co-chairs Jennifer Turetsky and Liz Barbosa worked with Foundation staff and over 50 volunteers to make the evening a huge success, raising a net of \$104,245. Donations for the 2019 Special Appeal, S.T.E.A.M. Programming and Equipment, brought in an additional \$53,350.

Golf & Tennis Outing / MAY 6, 2019

More than 80 parents, alumni and friends came out for a full day of golf, tennis, drinks, lunch, dinner, raffle and live auction at the longest running Epiphany fundraiser, The 25th Annual Golf and Tennis Outing, at the Scarsdale Golf Club in Hartsdale, NY. The Outing, headed by parents Agnes Teng and Michael Parniawski, raised a net of \$26,937.

The Epiphany School

The Epiphany School provides an educational environment that inspires academic achievement, fosters spiritual growth, and celebrates the individual. Teachers, administrators, students, and parents at The Epiphany School partner to ensure a nurturing, supportive community. Our students receive a well-rounded, highly competitive, and individually challenging academic experience, grounded in the value-centered Catholic tradition.

Led by example of our teachers and parents, who share their many gifts with our school community, students are inspired to use the knowledge, skills, and values they acquire at The Epiphany School. Graduates continue to top-ranked high schools in and around New York City, confident in their intellectual abilities, secure in their sense of purpose, and committed to improving the world as moral and ethical people.
