The Epiphany School Foundation
Annual Review 2022-2023

Thomas J. Gaffney

To the Epiphany Community,

On behalf of the Board of Trustees, we thank you for your support of The Epiphany School Foundation. By being named a National Blue Ribbon School, the efforts of the dedicated faculty and administration were recognized by the U.S. Department of Education. The award is a testament to our wonderful school and our generous community.

The Epiphany School Foundation strives to keep tuition affordable for all families and thereby attracts and maintains a diverse student population. Only 83% of the cost per student is covered by tuition. The Epiphany School Foundation helps close that gap. Without your generosity we would not be able to maintain such a high caliber of education for our students.

The Foundation also provides funding for continuing education and professional development for our faculty. In addition, we provide assistant teachers for Toddler Twos through Grade 4, a reading specialist, and specialized faculty in art, music, foreign language, and physical education.

To ensure the continued success of our students, please consider contributing to the Annual Fund. The Annual Fund provides unrestricted funding for our educational programs and services that are not covered by tuition. We strive each year to have a 100% participation rate from our current families.

In addition to the Annual Fund, we encourage everyone in our community to attend as many events as possible and support The Epiphany School Foundation by volunteering.

Thank you again for your continued support.
Have a happy and healthy 2024!

Warmest Regards,

A handwritten signature in black ink that reads "Thomas J. Gaffney".

Thomas J. Gaffney
Chair, Board of Trustees

What is the Blue Ribbon Award?

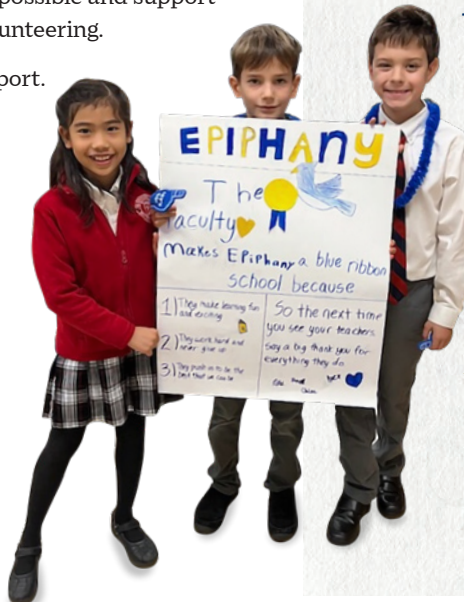

NATIONAL BLUE RIBBON SCHOOLS— is the United States Department of Education award program honoring high-performing schools and schools that are making great strides in closing any achievement gaps between students. NBRS recognizes non-public schools as “Exemplary High Performing” if their student achievement in English and mathematics is among the highest in the country measured by state assessments or nationally normed tests.

"We have no time to lose because today is shaping tomorrow and our most precious heritage is our youth."

Mother Marie Alma, SMSC

Foundress of The Sisters of Charity of Our Lady, Mother of the Church

EPIPHANY'S FACULTY is the driving force behind our success. Their deep understanding of curricular skill progression and collaborative data analysis allow teachers to plan lessons that meet current student needs and ensure preparation for tomorrow's challenges. Our faculty's efforts helped The Epiphany School achieve the Archdiocese of New York's highest 2022 NYS Test scores, with proficiency rates 50% higher than the NYS Public School average.

The faculty makes Epiphany a blue ribbon school because:

- 1) They make learning fun and exciting.
- 2) They work hard and never give up.
- 3) They push us to be the best we can be.

What does the award mean to us...

"Winning the National Blue Ribbon School award is a testament to the unwavering commitment of our faculty, parents, and students at The Epiphany School."

Kate D. McHugh
Principal, The Epiphany School

"The Blue Ribbon Award is a much deserved honor bestowed upon our fine school in recognition of our Tradition of Excellence."

James L. Hayes
President, The Epiphany School

"And when there is only one kid who doesn't understand, [the teachers] are able to notice that, and help teach everyone else at the same time, which is really amazing."

Jackie Tennell
Epiphany School Student, Grade 3

Professional Development for Teachers

Our faculty is committed to lifelong learning with over 70% of head teachers and administration holding their Master's Degree. Funding from The Foundation for professional development makes it possible for all of our teachers to enhance their content knowledge, and provide better means for guiding our students toward discovery.

Subscriptions and Enrichment Programs

Your support enables The Foundation to enhance educational programs in the areas of technology, foreign language, science, wellness, music, and art. Digital Resources and enrichment programs such as iXL, Enchanted Learning, and ProblemAttic help Epiphany offer a rigorous and individualized education.

Annual Support / JULY 1, 2022-JUNE 30, 2023

Fill the Gap

Only 83% of the cost of educating each Epiphany student every year is covered by tuition, which amounts to a shortfall of over \$2,000 per child. By filling the gap, The Foundation can continue to offer Epiphany students what they need to excel in the classroom.

THE EPIPHANY SCHOOL FOUNDATION

234 East 22nd Street, New York, NY 10010

The Epiphany School

The Epiphany School provides an educational environment that inspires academic achievement, fosters spiritual growth and celebrates the individual. Teachers, administrators, students, and parents at The Epiphany School partner to ensure a nurturing, supportive community. Our students receive a well-rounded, highly competitive, and individually challenging academic experience, grounded in the value-centered Catholic tradition.

Led by the example of our teachers and parents, who share their many gifts with our school community, students are inspired to use the knowledge, skills and values they acquire at The Epiphany School. Graduates matriculate to top-ranked high schools in and around New York City, confident in their intellectual ability, secure in their sense of purpose, and committed to improving the world as moral and ethical people.

The Epiphany School Foundation

The Epiphany School Foundation was established in 1999 to raise funds for the School. This tax-exempt, charitable foundation was created to enhance the educational experience and the faculty's teaching environment. These goals have been achieved over the years by funding programs that the School cannot cover through tuition alone. The Foundation remains dedicated to promoting growth and innovation through these programs.

"The Epiphany School Foundation provides our school with the financial flexibility necessary to ensure that Epiphany's students and staff have continuous opportunities to learn and grow. Receiving the National Blue Ribbon School Award serves as proof positive that the dual efforts of The Foundation and School result in academic success."
